

# STUDY AND WORK IN NEW ZEALAND

## WHY STUDY AND WORK IN NEW ZEALAND?

- New Zealand education is one of the best in the world!
- Education in New Zealand is generally cheaper than in the UK or USA.
- New Zealand is a very beautiful, developed and safe country.
- International Students studying for more than 14 weeks in New Zealand may be eligible to work in New Zealand for 20 hours per week during their studies (even during studying English)!
- International Students may also be able to obtain a work visa after completing some of the academic programs in New Zealand.
- Studying and working in New Zealand may provide a pathway to residence in New Zealand.

We assist international students from around the world in getting admission to a course of studies in New Zealand and in obtaining a student visa to New Zealand.
